that can get dirty.

OWBA Community Service

With the many disasters and poverty around the world, we realize that taking time out to help those less fortunate is an obligation for all of us. We invite you to join us in an effort to provide for the less fortunate in the Columbus community by building bed frames, tables and chairs. **NO EXPERIENCE NEEDED**. You will not only give of your time, but you will have the opportunity to meet area OWBA members who share your passion to help.

Furniture Bank of Central Ohio

The Furniture Bank of Central Ohio provides free furniture to area families struggling through severe life challenges. Volunteers help support this mission by making furniture in the facility's workshop. In 2010 Furniture Bank volunteers made over 6,000 pieces of furniture, accounting for about 10% of the total items distributed to families. For more information visit www.furniturebankcoh.org.
