

Monta Bolles

Vice President, General Counsel
USIC

Monta Bolles is Vice President, General Counsel for USIC, the largest underground facility locating company in the United States. Monta, based in Tampa, Florida, is responsible for all legal matters in the 43 states USIC services, with a focus on employment and damage-related litigation. Monta additionally oversees USIC's Compliance and Worker's Compensation/Leave departments. Prior to joining USIC in 2015, Monta served dual roles as VP, General Counsel and VP, Global HR for Granite Services, a GE Company. Monta also spent four years at GE's Corporate headquarters in Fairfield, Connecticut as Employment Law Counsel and seven years in private practice with Holland & Knight and Foley & Lardner.
