

Tony Ayubi

**Contracting Specialist
Air Force Research Laboratory**

Tony Ayubi joined the Air Force Research Laboratory at Wright-Patterson Air Force Base on October of 2020 as a Contracting Specialist helping the Manufacturing Technology Contracting Section in coordinating and evaluating acquisition proposals, pricing, negotiating and writing contracts, issuing and administrating purchase orders and delivery orders, administrating obligation authorities and closing out contracts. Prior to joining the Air Force, Tony was a Tax Attorney for the Ohio Department of Taxation in the Tax Appeals Division, where he helped individuals and organizations resolve their tax appeal claims by gathering evidence, holding agency administrative hearings, and compiling his final findings via a Final Determination decision. Tony holds a Master of Business Administration, a Juris Doctorate from the University of Dayton School of Law, and he is an active member of The Supreme Court of Ohio as a licensed attorney. Tony enjoys attending community held events with his wife and kids, jogging, and reading.
